Geography	Science	History
<p>Get involved with the UN "Conference of the Parties" COP27 conference by creating your own pledge to send a message to world leaders using the #PromiseToThePlanet https://www.scouts.org.uk/about-us/help-others/promise-to-the-planet/ is a great website to find lots of ideas!</p>	<p>Research Tasks</p> <ol style="list-style-type: none"> Alexander Fleming discovered penicillin. Ask the children to research how this happened and why it was such an important discovery. Bacteria is used to make yoghurt and cheese. Can you find out how? The Ancient Egyptians discovered that yeast could make bread rise. But how does this happen? 	<p>Causes of WW2:</p> <p>Create a propaganda poster to encourage people to join the war. Create a visual timeline of the events leading up to WW2 Find out what a policy of appeasement means and how it was used? What was positive about it and what was negative? Create an informative poster stating what the Treaty of Versailles</p>
<p>Design your own badge we could use in school for children who take action in the community. Here is the Scouts badge. Can you do better?</p> <ul style="list-style-type: none"> Research offshoring and create a PowerPoint presentation to explain to the rest of the class. 	<p>Make a periscope</p> <p>Take two pieces of card and wrap them in shiny foil. Can you use them to see around a corner? What do you have to do with each mirror? What about seeing over a wall? Can you work out how it works? Take photos and add to Twitter! www.stem.org.uk/rxyxt</p>	<p>Mayans:</p> <p>Design your own Maya headdress. Write a paragraph about why they wore them. Draw or make a Mayan temple. Write about why the temples were so important to the Mayans.</p>
<ul style="list-style-type: none"> Collect your litter for 1 week and create a litter sculpture similar to the one in Whitley Bay  <p>Fair Trade: https://schools.fairtrade.org.uk/teaching-resources/home-learning/#page-1</p> <p>How many Home Learning Grid tasks can you complete?</p>	<p>Snail Inheritance:</p> <p>After it has been raining have a look in the garden or out on the local paths. Can you see any snails? Have a look at the patterns on their shells? What do you notice? Are there any with similar patterns? Snail shell patterns are inherited from their parents. Can you find a potential family of snails? How many different shell patterns can you spot? www.stem.org.uk/rx33o6</p>	<p>Research what Operation Sealion was and write about your findings. Create a painting showing the Blitz. Write about what it shows. Where did it take place and why? Focus on the role of women in The Battle of Britain. Why was this important? Who was Winston Churchill? Look at his speeches. Try to write your own inspirational and motivational speech.</p>
