

Child's Name.....

Dear Parent/Carer

**AUTHORISATION FOR THE ADMINISTRATION OF EMERGENCY SALBUTAMOL INHALER**

A Salbutamol Inhaler is held in school for those children who have been diagnosed with asthma and prescribed an inhaler, or who have been prescribed an inhaler as reliever medication.

With parental written consent this emergency inhaler can be used if the pupil's prescribed inhaler is not available (for example, because it is broken or empty).

Please can you complete and sign the attached form if you agree to give your consent and return the form to your child's class teacher or the school office as soon as possible so that we can update our records accordingly.

Yours sincerely
