### **Parent Governors**

Parent Governors are elected by and from amongst the parents.

### **Local Authority Governors**

Local Authority Governors are appointed by the local authority.

### **Staff Governors**

The Headteacher is automatically a governor and so has a vote. The Headteacher may choose not to be a governor but will still retain the right to attend all governor meetings. Other staff governors are elected by, and from amongst, the school's teaching and non-teaching staff.

### **Community Governors**

Community governors are appointed by members of the governing body. They can bring expertise found in the local community (including the business sector).
